### **WHAT IS CSCC?**

It is a new organization called the Catholic Social & Community Council? Check out our website [www.cscs-singapore.org](http://www.cscs-singapore.org) to find out more about who we are, what we do and what you can do. We, as Catholics, are all called to love one another and to make a difference to the lives of those who are less fortunate than us. So read about the many volunteer opportunities and events that are happening on our website and learn how you also can help make a difference and start "living our social mission".
