The ESCE program is seeking to support those who have encountered *adversity* through social issues, past failures, or mistakes in their lives and desire a second chance for a brighter future through further education, and are also in need of financial assistance. A mandatory personalised mentoring programme is included so that there is someone assigned to accompany them in their education journey and support them through their issues. Participants may pursue a course of his or her choice either at college, university, vocational, or technical school, on condition that the course of learning must lead to employable skills.

The programme is available to all Singapore citizens and permanent residents regardless of race or religion. If you are interested, additional information can be found at <https://www.catholicwelfare.org.sg/ESCE.html>.
